**SINGAPORE F1 GP SUPPORT RACE**

**MACAU F3 GP SUPPORT RACE**

**OKAYAMA WTCC SUPPORT RACE**

**AFOS SEPANG AND SENTUL**

**Eurasia Motorsport have cars available for the Formula BMW Pacific Singapore F1 GP support race, Asian Festival of Speed events at the Sepang F1 GP circuit and Sentul Circuit in Indonesia, WTCC at Okayama in Japan plus the series final round at the Macau F3 GP.**

**The Singapore GP is one of the most eagerly awaited races of the year. The Monaco of Asia features night racing and was a huge success last season.**

**The World Touring Car Championship visits Okayama in Japan and is a great opportunity to sample the vibrant Japanese racing scene.**

**The Macau GP is the most prestigious F3 race of the year. Winning the Macau F3 GP is an important step in a driver's career and the F.BMW Pacific race is the ONLY opportunity to learn the fast and demanding street circuit prior to racing in F3. Any driver serious about a career in racing should consider this opportunity to experience the circuit before driving there in F3.**

**The Asian Festival of Speed events are great value with an official test day followed by three practice sessions, qualifying and FOUR races!**

<b>DATE</b>	<b>CIRCUIT</b>	<b>EVENT</b>	<b>ROUND</b>	<b>COUNTRY</b>

**Eurasia Motorsport are the 2007 Rookie Cup F.BMW Champions and the 2008 Asian F3 driver and team champions**

**We have two cars available to run alongside our series regulars, Chris Wootton and Axcil Jefferies.**

**Both cars are rebuilt and will be competitive.**

**Our race engineer joined us this year after winning the overall Formula BMW Championship two years in succession and is an ex-Williams, Arrows and Minardi engineer.**

**Our driver coach was a F3 Champion and ex Chief Instructor at the Silverstone race school in the UK.**

**Each Grand Prix consists of one 30 minute practice session , one qualifying session and two races.**

**The Macau GP features one 30 minute practice session, one qualifying session and one race.**

**Asian Festival of Speed events consist of one official test day during race week, three practice sessions, one qualifying session and FOUR races.**

**Join us and we believe you will receive:**

- **The strongest engineering team in the Formula BMW Pacific paddock**
- **The best driver coaching available**
- **The most impressive paddock presentation**
- **The highest quality car preparation**
- **The strongest will to win**

**The team and its personnel are responsible for over twenty championship wins and several hundred race wins in Asia in categories that include Formula BMW, Formula Three, Formula V6 Asia, Formula AF2000, Formula Asia, China F2000, Formula Toyota, Asian Touring Cars, Philippine Touring Cars, China Touring Cars and GT.**

**Formula BMW Pacific Series regulations allow the driver to test with the team at the Sepang F1 Circuit in Malaysia. Cost of the test is Euro1500 per day plus new tyres at US\$1060 per set.**

**All inclusive cost of Sepang, Sentul, Singapore and Okayama is Euro22,000 per event. Insurance, refundable parts deposit of Euro 4000 and drivers personal costs (flights and hotel) are not included**

**Macau GP cost is Euro 24,000.**

**We can arrange a package price for a suitable driver who wishes to undertake more than one event.**

**Contact us to persuade us why we should give you a discounted price!**
